

Waiver and Indemnity Agreement

SIGNED · PERMIT 26-635-017

In consideration of being granted a Scientific Research & Collection Permit, the permittee, on behalf of the institution and all listed personnel, agrees to the following.

1. Assumption of risk

The permittee acknowledges that intertidal and subtidal field work involves inherent risks — slippery substrate, wave surge, tidal timing, and cold-water exposure — and voluntarily assumes those risks.

2. Waiver

The permittee waives and releases the State of California, the Department, and their officers and employees from claims for injury, loss, or damage arising from activities conducted under this permit, except those caused by the sole negligence of the State.

3. Indemnification

The permittee shall indemnify and hold harmless the State and the Department against third-party claims arising from the permittee's activities under this permit.

SIGNED

Executed by the responsible official on behalf of the institution.
